

A MESSAGE FROM Charlotte Newell

Dear ,

I hope your Spring semester is off to a great start! Remember that you're always welcome to reach out to me if you have any problems on or off campus - we're also here to help connect you with any resources you might need!

I sent everyone individual emails, but I wanted to remind you all that we've received a very generous grant that has allowed us to open 25-30 additional funding slots for new students! If you know any high school seniors who will be enrolling at FGCU this Summer or Fall semester who you think would be a good match for the program, please let me know. You can either put them directly in touch with me or you can send them to [this registration link](http://www.fundwomenfl.org/preregistration) (www.fundwomenfl.org/preregistration).

We're so excited to be able to welcome new students into the program!

A Few Important Reminders:

1. Don't forget to file your FAFSA for next year if you haven't already!
2. It's officially tax season! That isn't anything to be excited about, but we have some resources available to help you make filing your tax return as easy as possible. For those of you in Collier County, you can schedule free appointments with VITA (Volunteer Income Tax Assistance) at [THIS LINK](#). If you're in Lee County, you can schedule a free appointment at [THIS LINK](#). Since tuition and scholarships can make your tax return more confusing, these resources can be super helpful to make sure everything is filed correctly.
3. Remember that you can use your tax return to make deposits to your Earn to Learn FL savings account, because that technically counts as earned income!
4. Once you've filed your tax return, you can use the [IRS2Go app](#) to track the progress of your tax return so you know when you should receive it.

FGCU Students: If you have any questions specific to FGCU, you can reach out to J Webb Horton at the Office of Community Outreach. He can help connect you with services on campus. His email is jwhorton@fgcu.edu.
