

# A MESSAGE FROM Charlotte Newell

Dear ,

Welcome back to classes! I hope everyone has had a smooth start to the semester. Please remember that any time you have a problem or question, you are always free to reach out to me at [charlotte@fundwomenfl.org](mailto:charlotte@fundwomenfl.org). I can't promise I'll always have a solution, but we'll always do our best to help out and connect you with the right resources, even if your problem doesn't have to do with your classes.

On a similar note, please feel free to let me know any time something exciting happens! If you win an award, ace an exam, get a promotion, or run an event, please feel free to share that with us. We love to hear

about how you're doing.

**Discount available: Earn to Learn FL students and their families can get up to 65% off their purchases at JC Penney! Test "eagles" to 67292 and follow the instructions you receive by text.**

This semester we transferred **over \$50,000** to your student accounts to cover tuition, books, and academic fees. That's a new record for us, and we're so excited to see the program continuing to grow, and your successes along with it! Over the next few months, we will be continuing to raise money and apply for grant funds to continue growing the program to reach more students like you. I may be in touch with some of you individually to ask for your help or your stories, because nothing is more compelling to our donors than your many successes.
